

NCAWAY National Team Information

Trips are planned for Elementary, Middle School, High School, 14 and under, 16 and under, and 19 and under teams. Check [the national team page](#) for complete schedule information regarding trips.

Wrestle offs for these teams will occur during the [Tarheel Classic](#) on 2-3 April 2010. Only those wrestlers that competed in the first two NC All Star events are exempt from wrestle offs and are guaranteed a spot (if they confirm participation and make payment). You must check in for wrestle offs at 8pm on Friday evening. Wrestlers competing in the Greco portion of the tournament will not wrestle off until competition in the Tarheel Greco division is complete and will be given up to 30 minutes recovery time following their last match. Wrestle offs may continue on Saturday morning depending on time available Friday night.

Elementary wrestlers are competing for positions on the Midwest Grand Challenge trip in May. All other competitors are competing for positions on the Midwest Grand Challenge and the NUWAY National Duals in Pennsylvania in June. If you would like to compete for a spot for the June trip but cannot attend in May, you must let us know when you check in for wrestle offs.

If you have any questions contact Marty Bartram at webmaster@ncwrestling.org and Cc Danny Hoy at Dhoy215@yahoo.com.

Payment for the Midwest Challenge trip is due at the completion of wrestle offs.
